MPA enableHR takes away the headache of HR and WHS Compliance for your Practice

MPA enableHR eases the challenges of managing your team, and empowers you to achieve day-to-day HR and WHS management efficiently and cost effectively.

As an IPA member in Public Practice, you can benefit from this powerful tool to streamline HR, WHS and Training and Qualifications Management in your business for FREE.

MPA enableHR is powerful, flexible and easy to use

Centralised Records Management

Say goodbye to paper files with enableHR as your central, accessible platform for managing the records of your team.

Candidate Management

Take the stress out of hiring new talent with streamlined recruitment processes for new or replacement positions.

Employment Management

Improve your ability to manage employees through each stage of the employment lifecycle. Create compliant Award and non-Award Agreements.

Work Health & Safety

Simplify reporting and management of hazards, incidents, return to work, consultations, and access template WHS policies and procedures.

Training and Qualifications

Better track the training and skills of Accountants and Financial Planners. Simply access each IPA course and track and report on CPE Hours.

Dashboard and Reporting

View HR, WHS and Training activity by status, timeframe, department, for immediate understanding of HR and WHS activity throughout the business.

Company Policies and Award Guides

Create Company Policies, Access live links to Modern Awards and 18 guides to help you meet your employer and APES obligations.

Interfaces with Payroll

Integrate with payroll to ensure non-duplication of data, with Outlook/Gmail for email and appointment setting.
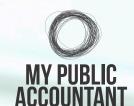

Built by HR practitioners and backed by FCB Law

Recognised as best of breed cloud based HR and WHS solution, over 8,000 businesses employ enableHR to manage their people.
