**Frequently asked questions (FAQ)**

**1. If I want to rejoin, what evidence do I need to provide?**

If you hold an Australian eligible qualification with an accounting major, or if you are a current member of an IFAC Member level body, or if you hold a statutory registration with the TPB and/or ASIC, no evidence is required at admission as long as you have provided information in your application. However, if the statutory registration is the

ASIC Australian Financial Services Licensee and if it is under your entity's name, you are required to provide documentary evidence showing that you are the Responsible Manager. Members admitted under this pathway may be subject to audit as per the declaration made in section H.

If you hold an overseas qualification or Australian qualification with a non-accounting major, you need to provide copies of award certificates and transcripts for assessment of eligibility for membership. Documents that are not in English must be submitted with a certified accredited English translation.

Please also include any official Australian assessment of an overseas qualification, if you have any.

Additional evidence may be required depending on your circumstances.

## 2. **When is a practicing certificate required?**

If you offer or plan to offer professional accounting and related services to the public for a fee, you may need to apply for a practicing certificate with your IPA membership. This includes you being a sole trader, principal, director, partner, shareholder or owner of a business, or billing under your own ABN. Accounting and related services include but not limited to financial accounting services, taxation, auditing, BAS services, bookkeeping, financial and investment advice, insolvency and reconstructions, business or management consulting, superannuation advice, insurance and information technology.

If you are a registered BAS agent with the TPB and if you provide bookkeeping and BAS services only, you are required to apply for a Public BAS Practitioner Certificate.

If you provide accounting and related services and if your turnover exceeds or is expected to exceed the ATO tax-free threshold, you are required to apply for a Professional Practice Certificate under the IPA By-laws.

Please contact your local IPA office on 1800 625 625 for further information.

## 3. **What fees will apply?**

For both reinstatement and rejoin applications, you are required to pay a non-refundable certificate fee of \$105.00 and a non-refundable administration fee of \$55.00.

If you rejoin, in addition to the non-refundable fees, you also need to pay a membership fee. The IPA membership subscription year is a financial year. Members readmitted during the year will have their membership fees calculated on a pro-rata basis. Please see [www.publicaccountants.org.au/become-a-member/how-to-apply/fees](http://www.publicaccountants.org.au/become-a-member/how-to-apply/fees).

For reinstatement applications, you will need to pay a certificate fee, an administration fee, membership back fees and current financial year's full fee. For any questions, please contact your local IPA office on 1800 625 625.

## 4. **How do I advance to Member (MIPA) membership?**

You must undertake and complete the IPA Program Stage 1 and the Mentored Experience Program (MEP). Please refer to FAQ 6 and 7 for details.

## 5. **How do I advance to Fellow (FIPA) membership?**

You must have been a MIPA level member for at least seven consecutive years, and have had at least 10 years relevant work experience (the last five years of which must be at a senior level).

## 1. **What is the IPA program and why do I have to undertake the program?**

The IPA Program is exclusively to IPA members, delivered by Deakin University. The full IPA Program is made up of two stages, which when completed, will award you a Master of Business Administration (MBA) from Deakin University. The first six units of the IPA Program (Stage 1, Pathway Program) have been designed to accommodate the needs of the Associate members. Following the successful completion of the first stage of the IPA Program, Associate (AIPA) members then advance to the MIPA level, if you have also completed the MEP. You are then welcome to commence the Deakin MBA as the second stage of the IPA Program. For more information, go to [www.publicaccountants.org.au/education/ipa-program/program-structure](http://www.publicaccountants.org.au/education/ipa-program/program-structure).

## 2. **What is the Mentored Experience Program (MEP)?**

The MEP is designed to provide a structured approach to your workplace learning and ongoing professional development. It is entirely a work-experience based program guided by a mentor and is a support mechanism for your career development. The purpose of the program is for you to work with a more experienced accountant who can guide and assist you in the early stages of your career. In the program you will complete suitable work experience and provide documentary evidence relating to a number of agreed areas of work activity under the supervision of a mentor. The MEP is an important condition for advancement to the MIPA level. For more information, go to [www.publicaccountants.org.au/education/mentored-experience-program](http://www.publicaccountants.org.au/education/mentored-experience-program).
