

Congratulations on your membership with the Institute of Public Accountants!

Wine Direct are proud to be a lifestyle partner of the IPA and continue to offer IPA members fantastic pricing on wine brands you know and love, plus wines from small producers all over Australia, which can be hard to get.

We buy direct from wineries which means we can save you heaps on wine for your own enjoyment as well as corporate gifts offering high perceived value without the high price.

Best of all, you get to deal with a real wine person, that's me, Phil Manser. I make wine, I grow fruit and work for these guys – dream job really.

To encourage you to try us out I am offering \$50 off your first wine purchase of \$150 or more.

Simply add the code **IPAWELCOME** at the checkout and \$50 will come off your purchase. You can use this online at the checkout or over the phone if you want to deal with a real person.
