Frequently asked questions (FAQ)

1. If I want to rejoin, what evidence do I need to provide?

If you hold a statutory registration with the TPB and/or ASIC under your name, no evidence is required at admission as long as you have provided information in section F in your application. Members admitted under this pathway may be subject to audit as per the declaration made in section H.

If you hold an eligible qualification, you need to provide copies of award certificates and transcripts for assessment. If your qualification documents are not in English, you must submit both original award certificates, transcripts and certified translations of your award certificates and transcripts by an accredited translator. Please also include any official Australian assessment outcome letter of an overseas qualification, if you have any.

If you are a current member of an IFAC Member level body, please provide current membership evidence such as a letter of good standing or current year membership renewal tax invoice. Additional evidence may be required depending on your circumstances.

2. Do I need to apply for a practising certificate?

If you offer or plan to offer professional accounting and related services to the public for a fee, you may need to apply for a practising certificate with your IPA membership. This includes you being a sole trader, principal, director, partner, shareholder or owner of a business, or billing under your own ABN. Accounting and related services include but not limited to bookkeeping, BAS services, provision of tax advice and/or tax agent, accounting, audit, SMSF audit, financial planning, investment advice and/or SMSF advice, forensic accounting, insolvency and bankruptcy, restructuring advice, company secretarial, mortgage broking, compilation of financial reports, and information technology (accounting/audit software).

If you are a registered BAS agent with the TPB and if you provide bookkeeping and BAS services only, you are required to apply for a Public BAS Practitioner Certificate.

If you provide accounting and related services and if your turnover exceeds or is expected to exceed the ATO tax-free threshold, you are required to apply for a Professional Practice Certificate under the IPA By-laws. Please contact your local IPA office on 1800 625 625 for further information.

3. What fees will apply?

For both reinstatement and rejoin applications, you are required to pay a non-refundable certificate fee of \$105.00 and a non-refundable administration fee of \$55.00.

If you rejoin, in addition to the non-refundable fees, you also need to pay a membership fee. The IPA membership subscription year is a financial year. Members readmitted during the year will have their membership fees calculated on a pro-rata basis. Please see www.publicaccountants.org.au/become-a-member/how-to-apply/membership-fees.

For reinstatement applications, you will need to pay a certificate fee, an administration fee, membership back fees and current financial year's full fee. For any questions, please contact your local IPA office on 1800 625 625.

4. How do I advance to Member (MIPA) membership?

You must undertake and complete the IPA Program Stage 1 and the Mentored Experience Program (MEP). Please refer to FAQ 6 and 7 for details.

5. How do I advance to Fellow (FIPA) membership?

You must have been a MIPA level member for at least seven consecutive years, and have had at least 10 years relevant work experience (the last five years of which must be at a senior level).

6. What is the IPA program and why do I have to undertake the program?

The IPA Program is exclusively to IPA members, delivered by Deakin University. The full IPA Program is made up of two stages. When completed, you will be awarded a Master of Business Administration (MBA) from Deakin University. The first six units of the IPA Program (Stage 1, Pathways Program) have been designed to accommodate the needs of the Associate members. Following the successful completion of the first stage of the IPA Program, Associate (AIPA) members then advance to the MIPA level, if you have also completed the Mentored Experience Program (see FAQ 7). You are then welcome to commence the Deakin MBA as the second stage of the IPA Program. For more information, go to www.publicaccountants.org.au/education/ipaprogram.

7. What is the Mentored Experience Program (MEP)?

The MEP is designed to provide a structured approach to your workplace learning and ongoing professional development. It is entirely a work-experience based program guided by a mentor and is a support mechanism for your career development. In the program you will complete suitable work experience and provide documentary evidence relating to a number of agreed areas of work activity under the supervision of a mentor. The MEP is an important condition for advancement to the MIPA level. For more information, go to www.publicaccountants.org.au/education/mentored-experience-program.
