Investigations and disciplinary procedures

Preamble

The Institute always aspires to the principles of fairness and equity for all parties involved in a complaint (the Member, the complainant and the Institute).

To achieve this aim, the investigation and disciplinary procedures shall be independent of undue influence from any party to a complaint and always act in a prompt and timely manner.

Transparency and accountability of the investigation and disciplinary procedures will assist in ensuring the investigation and disciplinary procedures remain independent.

It is the duty of the Institute to uphold the principles and Standards of the profession and ensure that all Members abide by such at all times. The standing of the Institute and all its Members is dependent on the mutual upholding of the highest Standards.

7.1 Proceedings of Investigators, Investigations Review Officer and Disciplinary Tribunals

In By-Law 7.1, the Professional Conduct Committee means a sub-committee of the Board of Directors, "Tribunal" means the Disciplinary Tribunal and "Chair" and "Executive Officer" are of the Disciplinary Tribunal, wherever occurring, unless stipulated to the contrary, and "Member" includes a person whose membership has lapsed after the complaint or investigation has been initiated.

Lodging a complaint

- 7.1.1 Any complaint against a Member of the Institute shall be lodged in writing with the Institute or the Institute may itself lay any allegation against or raise in relation to any Member any matter or circumstance which shall come or be brought under its notice and which in the opinion of Institute may need investigation.
- 7.1.2 Where an Investigator becomes aware that an investigation may be warranted against a Member or class of Members, the Investigator may undertake an investigation, regardless of whether a complaint has been lodged with the Institute. The Investigator will inform the Institute of the reason for undertaking such an investigation.

Handling a complaint

- 7.1.3 Any complaint against a Member of the Institute lodged with the Institute shall be referred to the Investigator, including complaints that emanate from the Institute's own motion to investigate a matter.
- 7.1.4 "Administrative action" means a penalty imposed by the Institute on a Member in circumstances where referring the matter to the Disciplinary Tribunal or voluntary resolution is inappropriate. The Professional Conduct Committee will assist, advise and determine cases referred to it by the Investigator and to impose appropriate penalties on Members.

- 7.1.5 The Investigator shall have the power to interview the Member concerned and to obtain information from any source deemed necessary, noting the Institute can only seek further information from the Member or Complainant.

Request for information from a Member

- 7.1.6 To assist the Investigator, a Member must comply with all reasonable requests for information from the Investigator. The Member must provide that assistance and information to the Investigator within reasonable time as set by the Investigator. The Member may seek an extension of time to comply in writing, which the Investigator will not unreasonably deny.
- 7.1.7 Failure to provide assistance and information in a timely manner to all reasonable requests of an Investigator shall constitute a breach of Clause 98 of the Constitution.

Recommendation of an Investigator

- 7.1.8 The Investigator shall compile all relevant information in order to form an opinion from which the Investigator can recommend:
- (a) the Member has no case to answer;
 - (b) if there is a case to answer and it is appropriate to do so, recommend administrative action;
 - (c) if there is a case to answer and it is appropriate to do so, recommend a voluntary resolution of the complaint; or
 - (d) if there is a case to answer and administrative action or voluntary resolution of the complaint is inappropriate, refer the matter to the Disciplinary Tribunal to hear the case.

Reviewing the recommendation of the Investigator

- 7.1.9 The Investigator shall refer their draft recommendations to the Investigations Review Officer. The Investigations Review Officer's proposed determination and associated recommendations will be provided to the Professional Conduct Committee or their nominee as to review and determine as appropriate.

Notice of determination

- 7.1.10 The Investigator will then communicate the determination to the Member, Tribunal (where appropriate) and the complainant within 21 days of the approval of the Investigator's recommendation by the Investigations Review Officer or the Professional Conduct Committee or their nominee. Notwithstanding this clause, the Investigator may make a decision, with the approval of the Investigations Review Officer or the Professional Conduct Committee, as to an investigation matter and give the Member concerned by notice in writing of the decision.

Other interaction between the Investigator and the Investigations Review Officer

- 7.1.11 The Investigator may seek the opinion of the Investigations Review Officer or the Professional Conduct Committee in relation to an investigation at any time.

Regular statistical reports

- 7.1.12 The Investigator must make regular reports to the Board of Directors and the Disciplinary Tribunal on opinions reached from their investigations. This report shall not disclose the names of the parties to the complaint.

Arbitration or mediation

- 7.1.13 Both the Member and the complainant has the right to appoint an arbitrator or mediator.
- 7.1.14 The Institute shall not be responsible for the conduct or costs of arbitration or mediation.

Voluntary resolution

- 7.1.15 Within twenty-one days of receipt of the notice of determination of the offer of a voluntary resolution, the Member shall communicate their decision to accept or reject the voluntary resolution in writing.
- 7.1.16 If the Member rejects the voluntary resolution, the complaint will proceed to a Disciplinary Tribunal.

Administration action

- 7.1.17 The Investigator may recommend administrative action where the Investigator believes there is a case to answer, but due to the less serious nature of the allegation, a voluntary resolution or to refer the matter to the Tribunal would be inappropriate.
- 7.1.18 Administrative action includes but is not limited to:
- (a) requiring the Member concerned to undertake specific CPD;
 - (b) requiring the Member concerned to make undertakings to the Institute;
 - (c) giving the Member concerned a written warning; or
 - (d) any other remedial action deemed appropriate.

Disciplinary Tribunal

- 7.1.19 Upon the Tribunal receiving a notice of determination that the Member has a case to answer, the Tribunal shall meet for the purpose of considering the case and shall hear the case as soon as practicable.
- 7.1.20 The Board of Directors shall appoint a panel of persons from which each Tribunal is constituted. The panel shall comprise a Chair, a Deputy Chair and other Members appointed by the Board. The panel of persons are independent from the Board of Directors and cannot be on any of the Institute's committees, task forces, governance bodies or be employed by the Institute. A Disciplinary Tribunal panel member cannot be appointed to the Appeals Tribunal panel to hear the same matter.
- 7.1.21 The Institute shall appoint an Executive Officer to manage the disciplinary process and perform such other duties as set out in these By-Laws.

- 7.1.22 The Executive Officer will select a Tribunal comprising a minimum of three persons to hear the case against a Member. A Tribunal will comprise either the Chair or Deputy Chair presiding and at least two other Members. At least one Member of each Tribunal hearing a case shall be a lay person.
- 7.1.23 Where a Tribunal of at least five panel Members is to hear a case against a Member, this Tribunal shall comprise the Chair and at least four other Members, of which two shall be lay persons.
- 7.1.24 In selecting who shall sit on a panel hearing a case against a Member, the Executive Officer, shall have regard to availability of panel Members and any special skills that may be appropriate to the case.
- 7.1.25 In the event of the unexpected unavailability of the Chair and Deputy Chair, the other Members of the panel hearing a case against a Member shall appoint a Chair from the panel Members present at the hearing.

Disciplinary Tribunal – Written submission

- 7.1.26 (1) Where the notice of determination states that in the Institute's view it is appropriate, the Chair may offer the Member concerned:
- (a) the opportunity to accept that there is a case to answer in relation to the breach alleged by the Institute; and
 - (b) to make statements in mitigation.
- (2) The Member must indicate in writing, to the Executive Officer by the date stipulated whether or not it is accepted that there is a case to answer.
- (3) Where the Member does not accept that there is a case to answer the matter will be referred to the next full hearing of the Tribunal.
- (4) Where the Member accepts that there is a case to answer the matter will proceed to the Tribunal in the following manner:
- (a) The Executive Officer will select a Tribunal comprising a minimum of three persons to hear the case against a Member. A Tribunal will comprise either the Chair or Deputy Chair presiding and at least two other Members. At least one Member of each Tribunal hearing a case shall be a lay person.
 - (b) All submissions must be in writing.
 - (c) The Institute shall appoint an Advocate to prepare a written case against the Member, setting out the correspondence and other information discovered in the process and the reasons the Institute believes there is a case to answer. The Advocate may also state any other information believed to be relevant to a decision by the Tribunal, including any mitigating circumstances in favour of the Member. The Advocate shall also state what level of penalty the Institute is seeking to be imposed against the Member. This material is to be made available through the Executive Officer, to both the Tribunal and the Member concerned.

- (d) The Member has 14 days from receipt of the Institute's submission to provide a written submission setting out arguments in mitigation of any penalty.
- (e) The Tribunal will then review all the materials before it and reach a decision about what, if any, penalty to impose. The decision will be made in writing and provided to the Member and Institute within 14 days of publication of the decision.

Disciplinary Tribunal Members – obligations

- 7.1.27 All Tribunal Members will give an undertaking to the Institute to act fairly and honestly in all cases, to excuse themselves from any case where they may be or perceived to have a conflict of interest and to be available for selection unless reasonably excused.
- 7.1.28 Where a Tribunal Member has consistently not availed themselves to sit on hearings without reasonable excuse, the Chair may request to the Board of Directors that the said Tribunal Member be removed.
- 7.1.29 Tribunal Members may be required to undergo training or to complete courses approved by the Board of Directors. Failure to comply with any such directive may mean removal from Membership of the panel.

Disciplinary Tribunal hearing – notification

- 7.1.30 The Member shall be informed in writing of the time and place of the hearing and of the complaint or complaints to be considered, at least twenty one days before the date of the hearing. The Member will be provided with the following documents:
 - (a) a notice describing the alleged breaches by the Member (including the relevant section(s) of the Constitution, By-Laws, or Pronouncements of the Institute);
 - (b) a summary of the case setting out the relevant matters relied on in support of the case, a copy of the evidence to be relied upon by the Institute, and the name and details of any witness(es);
 - (c) a summary of the procedures for appearing before the Disciplinary Tribunal; and
 - (d) a letter inviting the Member to indicate whether or not the Member intends to appear before the Tribunal in person, via teleconference (or other technological means approved by the Tribunal) or via representation by a third party.

The Institute may seek leave of the Chair to provide the documents referred to in sub-clauses (a) to (d) or additional information to the Member less than twenty-one days before the date set for the hearing. The Chair will grant such leave only in exceptional circumstances and where it will not prejudice the ability of the Member to make an appropriate defence.

- 7.1.31 At least fourteen days before the date set for the hearing, Tribunal Members shall be provided with copies of all documents relating to the case against the Member.

- 7.1.32 The Member must respond in writing to the letter referred to in By-Law 7.1.34(d) not less than seven days prior to the hearing date. The Member must also at that time submit to the Tribunal such documentary evidence that the Member wishes to make known to the Tribunal and the name and details of any witness(es) the Member intends to call. Documents submitted less than seven days prior to the date of the hearing will only be considered by the Tribunal where the Chair decides there are exceptional circumstances which do not prejudice the ability of the Institute to make its case against the Member.

If the Member does not intend to appear at the hearing, they may submit statements in writing to the Chair for consideration by the Tribunal.

- 7.1.33 The Institute shall appoint an Advocate to present the case against the Member. The Institute may appoint such other persons to assist the Advocate as it deems necessary, including Counsel.

Disciplinary Tribunal hearing – Presentation of case

- 7.1.34 On the hearing of any case against a Member, it is for the Institute to satisfy the Tribunal that a breach has occurred and the case has been proven on the balance of probabilities.

- 7.1.35 At the hearing of the Tribunal, the Advocate will present the Institute's case first, setting out the reasons the Institute believes there is a case to answer. The Advocate may be supported by any witness(es) and such documentary evidence as is provided by the Institute in support of the case against the Member. The Advocate may also state any other information believed to be relevant to a decision by the Tribunal, including any mitigating circumstances in favour of the Member. The Advocate shall also state what level of penalty the Institute is seeking to be imposed against the Member.

The Member will then respond by presenting any witness(es) and such documentary evidence as has been provided by the Member in accordance with By-Law 7.1.36. Each witness may be cross-examined by the other party. Any Member of the Tribunal may ask any question(s) of either party and any witness(es).

If the Member appears with Counsel at the hearing and has not informed the Tribunal, the Chair will make a determination whether to adjourn the hearing in order for the Institute and/or the Tribunal to seek engagement with Counsel.

- 7.1.36 The Member or the Institute may request in writing to the Chair, either at the hearing or in advance of it, that the hearing be adjourned to a future date. It is at the full discretion of the Chair whether or not to grant such an adjournment.

When deciding whether to adjourn a hearing, the Tribunal must take the following into consideration:

- (i) An adjournment should only be granted in exceptional circumstances where the reason/s for the adjournment request are clearly specified and documentary evidence in support of it has been provided (e.g. medical certificate).
- (ii) A request for an adjournment should be submitted in a timely manner at least 7 days before the scheduled hearing date.
- (iii) The number of adjournments should be kept to a minimum to allow for a timely determination to be made. A Member can only be granted a maximum of 3 adjournments over a period of two years from the date of the first hearing date.

(iv) Members are given sufficient notification of the date of the Tribunal hearing. Consequently, members should undertake any necessary actions, including engaging any legal representation in a timely manner. For example, undertaking these actions less than 7 days before the scheduled hearing date that results in a lack of preparation for the hearing without a reasonable basis is not a valid reason to grant an adjournment.

(v) The Tribunal must make their decisions based on the information before them. As such, the lack of evidence is not a reason to adjourn a hearing. The Tribunal should, instead, seek further information necessary for it to make informed and defensible decisions about whether to adjourn the hearing.

If an adjournment application is made by either party, the costs of the original hearing may be included in any determination with regard to apportionment of costs between the parties. In cases where a member seeks an adjournment of an already scheduled Appeals Tribunal hearing and the Member's request for the adjournment was not within the Institute's timeline policy, the Member should bear the costs of the adjournment. This is unless the member's late request for adjournment was beyond the member's control (e.g. a medical emergency).

- 7.1.37 After both parties have presented their case and the Tribunal is satisfied it has enough information to make a determination, the Tribunal will retire to deliberate. Deliberations will be "in camera" and involve only the Tribunal Members. The Tribunal's decision on a case against a Member is to be determined by a simple majority vote of its Members. If there is no majority at first instance, the Chair shall have the casting vote. The role of the Tribunal is to determine if the case against the Member has been proven on the balance of probabilities, but not at this stage to determine the penalty to be imposed.
- 7.1.38 If the Tribunal determines that the case against the Member has been proven it shall inform the parties accordingly. Where the Member is present, either in person or represented by a third party, such person will be asked to provide any evidence and other matters to be considered in mitigation by the Tribunal with regard to what is the appropriate penalty to impose. If the Member is not present, the Tribunal will take into account any documentation provided by the Member in mitigation of the penalty. After such arguments have been presented, the Advocate will be asked to present the Institute's case with regard to an appropriate penalty to be imposed. Following such presentation, the Tribunal will retire to consider the appropriate penalty to be imposed. The Tribunal's decision is to be determined by a simple majority vote of its Members. If there is no majority at first instance, then the Chair shall have the casting vote. The Institute and the Member shall be informed of the penalty imposed.
- 7.1.39 If the Tribunal makes a finding that the case is not proven by the Institute, the case against the Member will be dismissed (except as to any right of appeal by the Institute).

Costs

- 7.1.40 Each party shall bear its own costs of proceedings and representation. The Tribunal will make a determination as to costs even if there is a finding that the case is not proven by the Institute.

Notification

- 7.1.41 The Executive Officer shall provide a written statement of its decision to be communicated to both parties within 21 days of the conclusion of the hearing.

Effective date

- 7.1.42 Any order of the Tribunal shall take effect after the end of the appeal period. The appeal period is within 30 days of notice of the finding of the Tribunal having deemed to be served, unless as part of the order the Tribunal directs that all or part of the orders is to take effect on a specific date. A Member shall be deemed to have received the said notice upon delivery, or, if posted, three days after the day of posting in an envelope addressed to the address of the Member in the Register.

Upon receipt of a notice of appeal, the finding (s) and order (s) will be stayed until such time as the matter is determined by the Appeals Tribunal process.

Notification

- 7.1.43 The findings and orders of the Tribunal shall be publicised by the Institute by the following means:

- (a) by way of press release in such terms and manner it directs;
- (b) publication in the IPA journal in such terms and manner it directs; and/ or
- (c) publication on the IPA's website in such terms and manner it directs;

and shall, for Members subject to an order of censure, suspension or forfeiture of membership set out the name, the breach(es) that the Member was found to have made and the finding(s) of the Tribunal and any other matters the Tribunal determines is necessary. For Members subject to an order of admonishment, fine or other order, the Institute shall determine, what, if any information is made known to the public.

Investigator – regular statistics

- 7.1.44 The Investigator shall furnish regular reports to the Board of Directors stating such information as the number and type of complaints, what geographical area the complaints are originating from, the action stemming from those complaints, the opinion of the Investigator on the complaint, the decision of the Disciplinary Tribunal and the Appeals Tribunal (if applicable) and the period of time between the lodgement of the complaint and its resolution or to the stage where no further action is required.
- 7.1.45 The Institute may use the information gathered from the Investigator's report to develop programs to alleviate areas of concern. The Institute shall also pass on this information to appropriate statutory/ regulatory bodies as required.

Disciplinary Tribunal – regulating hearings

- 7.1.46 The responsibility for regulating hearings of a Disciplinary Tribunal rests with the Board of Directors. The Board of Directors has the responsibility for establishing the procedures necessary for conducting hearings of a Disciplinary Tribunal. Interpretation of the procedures for regulating the hearings of Disciplinary Tribunals rests with the Board of Directors. The Appeals Committee can instruct a Disciplinary Tribunal to re-hear a complaint.
- 7.1.47 A Disciplinary Tribunal must when following procedures in hearing a complaint, implement those procedures in a manner that is reasonable and in the interests of all parties involved.

- (i) An adjournment should only be granted in exceptional circumstances where the reason/s for the adjournment request are clearly specified and documentary evidence in support of it has been provided (e.g. medical certificate).
- (ii) A request for an adjournment should be submitted in a timely manner at least 7 days before the scheduled hearing date.

Consequently, members should undertake any necessary actions, including engaging any legal representation in a timely manner. For example, undertaking these actions less than 7 days before the scheduled hearing date that results in a lack of preparation for the hearing without a reasonable basis is not a valid reason to grant an adjournment.

(v) The Tribunal must make their decisions based on the information before them. As such, the lack of evidence is not a reason to adjourn a hearing. The Tribunal should, instead, seek further information necessary for it to make informed and defensible decisions about whether to adjourn the hearing.

If an adjournment application is made by either party, the costs of the original hearing may be included in any determination with regard to apportionment of costs between the parties. In cases where a member seeks an adjournment of an already scheduled Appeals Tribunal hearing and the Member's request for the adjournment was not within the Institute's timeline policy, the Member should bear the costs of the adjournment. This is unless the member's late request for adjournment was beyond the member's control (e.g. medical emergencies).

- 7.2.5 Where an application is made by a party to adjourn the hearing date because of the late exchange and lodgement of documents, the party in default may be ordered to pay the costs of the other party and the Tribunal out of the delay.

- 11.31 The role of the AAT MAC is to provide advice to the IPA Group Chief Executive Officer in relation to the achievement of the Institute's strategic objectives.
